MAXI® 152 SERIES

32V IN-LINE SPLASHPROOF BLADE FUSE HOLDER

01520003TXN941

Description

The MAXI® 152 Series 32V In-Line Splashproof Blade Fuse Holder provides a simple way to install and protect a MAXI® blade-style fuse in a harsh automotive environment. The fuse holder cover and cable seals help to create a water-resistant fuse holder that protects the installed fuse (sold separately) against splashes and debris.

The MAXI® 152 Series is available in 60A and 80A MAXI® fuse holder configurations. The fuse holder bodies are also available with and without molded mounting tabs.
