

THE DATASHEET OF NTM4

NTM4

Professional studio transformer 1:4 for PCB mount, fully shielded.

Applications: mic input step-up

Technical Information

Product

Title	NTM4
-------	------

Electrical

Turns ratio (prim:sec)	1:4 ±10%
Primary level	dBu 1,2 V
Source resistance	200 Ω
Load resistance	10 kΩ
Dimensions L / W / H	22,8 / 18 / 12 mm

Environmental

Solderability	Complies with IEC 68-2-20
---------------	---------------------------
