

## Fast Facts

### OPI1268S – HIGH VOLTAGE/HIGH SPEED OPTO-ISOLATOR

The OPI1268S High Voltage/High Speed Opto-Isolator is designed to be a market leader in the high voltage opto-isolator market. With UL, Vde certifications, IP65 compliance (ATEC/IECx certification pending) and high dv/dt and isolation voltages, ***no other manufacturer has one unifying product that provides so much versatility as an isolator.***

#### MARKET SEGMENTS

- ✓ Transportation
- ✓ Medical
- ✓ Telecommunications
- ✓ Industrial

#### APPLICATIONS

- ✓ Transportation Systems (IGBT Arrays, Hybrid Vehicles)
- ✓ Medical Systems (Electro-Surgery Equipment, Blood Vessel Cauterizing, Defibrillators)
- ✓ Safety and Control Systems

#### FEATURES

- ✓ UL Certification (File # E58730)
- ✓ Vde Certification (File # 40031798)
- ✓ IP65 Rated (Water/Dust Proof)
- ✓ ATEX/IECx Certification (pending)
- ✓ 30+KV/us dv/dt immunity
- ✓ 20KV Isolation Voltage

#### COMPETITORS

- ✓ Bedford Opto (OPI1200M)
- ✓ Micropac (66320)

#### OUR ADVANTAGE

- ✓ More Certifications Than Any Competitor
- ✓ Extremely High Isolation Voltage and High Immunity to dv/dt phenomena
